

CIRCLE OF COURAGE

Challenge yourself at Circle of Courage, where you will encounter low and high ropes courses that will provide experiential and therapeutic experiences for all ages and abilities. Programs will be delivered by trained and certified facilitators in a challenging and risk providing, while at the same time, safe and cooperative environment. Develop conflict management skills, leadership, teamwork, and learn how to push yourself in a safe environment. Due to Safety Activity Checkpoints, Daisies and Brownies will only participate in the low ropes course.

Important: Wear closed toe/heel shoes and dress appropriately for the weather. A packing list will be provided prior to the event. No tag-a-longs.
