FOR IMMEDIATE RELEASE

Girl Scouts—Dakota Horizons Announce Cookie University to be held at South Dakota School of Mines & Technology

Sioux Falls, SD (1/15/2019)

Cookie University will be hosted at South Dakota School of Mines & Technology on January 26 from 1:00 PM – 4:00 PM in Rapid City, SD. The kick-off to the 2019 Cookie Program; this is an opportunity for Kindergarten through 12th Grade girls to prepare their cookie business and graduate from Cookie University.

The financial literacy program uses age-appropriate curriculum to introduce Girl Scouts to the five skills (money management, decision making, goal setting, people skills and business ethics) they learn when participating in the Cookie Sale Program, which runs from February 13 to March 18, 2019.

The event kicks off with a Cookie Crunch Competition comprised of local media and community leaders who will participate in fun cookie-themed activities for their chance to take home the annual trophy. All grade levels of Girl Scouts will then attend classes, led by SDSM&T Students, to learn about the cookie program, earn Cookie Business Badges, share ideas and sample the cookie product.

Girls gain invaluable firsthand knowledge and skills they can apply to selling cookies and planning for their future careers. Technology plays a key role as well, as girls are introduced to Digital Cookie, a sales platform that takes girls from behind the booth to mobile and online channels, while also helping them run and manage their business online.

“Cookie University provides the tools girls need to be successful cookie entrepreneurs,” said Marla Meyer, CEO of Girl Scouts-Dakota Horizons. “This is just one example of how the Girl Scout experience builds the next generation of female leaders.”

Girl Scout Cookies can only be purchased from a registered Girl Scout beginning February 13. To find Girl Scouts selling cookies near you, visit www.girlscoutcookies.org or use the official Girl Scout Cookie Finder app, free on [iOS](#) and [Android](#) devices.
