

## This cookie season, your local Girl Scouts want YOU

—their uniformed fire fighters—to join them at their cookie booths for a special “**Uniform to Uniform**” community connection event!

Between February 13 and March 18, we’d be honored to have you come visit Girl Scouts in our area to show support and encourage the young budding entrepreneurs as they don their own uniforms and serve their community through social entrepreneurship. What do you say?

Uniform to Uniform is an opportunity for Girl Scouts to:

- **Come together** to support the men and women in uniform from their local fire departments
- **Learn about the work** these amazing men and women do every day in our communities
- **Thank you** for your service
- **Take a picture** of the experience, and share it on social media with #GSCookieSquad to spread the good vibes

This is a great opportunity to show the world all that both of our organizations do to support the community and one another. Please know that this isn’t an effort to sell cookies but a way to come together and build goodwill between both of our groups.

To learn more about **Uniform to Uniform** and how to support Girl Scouts in your area during Girl Scout Cookie season and beyond, please contact Member Services at [help@gsdakotahorizons.org](mailto:help@gsdakotahorizons.org) or 800-666-2141.

To find a cookie booth near you, download the Girl Scout Cookie Finder app or visit [girlscouts.org/cookies](https://www.girlscouts.org/cookies).
