3D Doodler Pen + \$30 DD

A 3D pen is a pen that is real, it's creative, and it's a lot of fun. With a 3D pen you can draw a raised graphic on a piece of paper or any flat surface. But what makes a 3D pen truly unique is its ability to "draw" in mid-air, allowing you to instantly form 3D structures right in front of you!

Each girl earning this level will receive **ONE**, age-appropriate pen. 3Doodler Start is designed to be appropriate and safe for kids aged 6+. 3Doodler Create+ is designed to use heat and better suited for girls 14+.
