B. TROOP AND SERVICE UNIT FUNDS – ACCOUNT MANAGEMENT

- The Account Signers shall keep an up-to-date check register.
- The Annual Finance Report is to be completed online in its entirety by June 15, with a copy of the current year May bank statement attached. The check register must be attached to the Annual Finance Report.
- Account Signers are to retain bank statements and receipts on these accounts for two years.
- The Annual Finance Report shall include cash donations received by the troop or service unit with the name of the donor and the amount received.
- Unsolicited cash donations under \$250.00 will remain with the troop or service unit and must be reported as such in the Annual Finance Report.
- Funds are the property of the Council. The troop or service unit may decide how its money is used for well-balanced program activities. However, troop and service unit funds may not be used for any non-Girl Scout purposes.
- **Under no circumstances shall the money be divided among members of the troop for personal use, used by the Account Signers for her/his personal use, or donated to another organization.**
- The troop and service unit are required to pay its bills in a responsible, timely manner. Troops and service units may not under any circumstances issue NSF (not sufficient funds) checks. Account Signers who overdraw their account can be dismissed.
- The Board of Directors recognizes the need for individual troops and service units to maintain nominal account balances to fund day-to-day activities for girls and adults. If the account balance exceeds \$400, an explanation of how funds will be spent needs to be submitted with the Annual Finance Report. If funds over \$400 are not going to be used or an adequate reason for use is not submitted, the troop or service unit may be

asked to submit the funds to the council. This request will be made at the discretion of the Controller or Chief Financial Officer.

- Day-to-day custodianship of troop and service unit funds is delegated to the Account Signers. The finance department shall oversee all troop and service unit accounts by completing an annual review of the Annual Finance Reports.
- Tax exemption for our organization and subsidiaries only applies for Federal Tax, not Sales Tax.
- A troop and service unit may possess money, property, and equipment, donated or purchased, but they must be held in the name of “Girl Scouts—Dakota Horizons.”
- The council may request, at any time to review all Troop/Service Unit financial information.

Abandoned Funds: Troop and service unit accounts that have not been active for a period of one (1) year or longer, or have not completed the Disbanding Process noted in Section D of this policy, will be considered abandoned. The council may contact the bank and request that the account be closed. Funds will sent to the council to be deposited in the Council General Operating Fund for council-wide troop support.

C. ADDITIONAL MONEY EARNING ACTIVITIES

- No troop or service unit shall solicit cash/in-kind donations or raise funds without completing a Troop/Service Unit Money Earning Application and receiving prior council approval.
- Troop and service unit money earning projects shall not be undertaken during the Council Product Sales and delivery or during United Way/Community Chest Campaigns in the troop or service unit’s community.
- Girl Scout Seniors and Ambassadors may solicit philanthropic donations of cash or in-kind goods for Girl Scout Gold Award projects. Written permission via the Troop/Service unit Money Earning Application must be secured prior to solicitation, and council guidelines must be followed.
- Reporting of any Gift-In-Kind needs to follow the Gift-In-Kind Procedure located on the Girl Scouts-Dakota Horizons website.

- All charitable contributions (in excess of \$250.00), regardless of value, form, or designated use, shall be made only to Girls Scouts – Dakota Horizons. Incorporated in the state of South Dakota and designated as a 501(c) (3) organization, the Council is the only tax exempt entity.
- All troops and service units are an extension of Girl Scouts-Dakota Horizons but are not specifically tax exempt.
- Gifts may be received on behalf of projects, programs, geographic units, troops or groups as designated donations or restricted donations.

D. DISBANDING TROOPS AND SERVICE UNITS – CLOSING ACCOUNTS

- Prior to a troop disbanding, the troop will decide with the currently registered members what to do with the troop's funds, property and equipment. If a decision is not made within 30 days of disbanding, all will be returned to the council.
- Funds shall be used for Girl Scout activities, and may not be refunded directly to girls or donated to another organization. Funds may be donated to other active troops or service units as long as all active members of the disbanding troop unanimously approved the donation.
- A final Finance Report should be completed and submitted to the council, showing how all monies have been used.
- If all troop funds are not used for activities with the girls or donated to other troops or service units the remaining troop funds will be transferred to the Council and then to the Service Unit account. After a period of one (1) year all remaining monies will revert to the Council General Operating Fund.
- If a Service Unit disbands, all money, property and equipment must be returned to the Council within 30 days of disbanding.
