

Shipping and Handling Fees

When you pay for shipping and handling, you're helping empower girls to do more with their cookie earnings. These fees go directly to the vendors who help us make sure your delicious cookies get to you and that the cookie money gets to her troop. That way, she and her friends can go out into their communities and do amazing things. Thank you for your support!

PRICING

There's a 4 package minimum order for shipping. Donated cookies do not have a shipping cost and do not count towards the 4 package minimum.

For orders of 12 package(s) or more, shipping is calculated as follows:

- * 13 package(s) of cookies: tier D (12 packages) + tier A (1 more package) = 13 package(s) of cookies shipping cost
- * 25 package(s) of cookies: tier D x 2 (24 packages) + tier A (1 more package) = 25 package(s) of cookies shipping cost

But wait! There's no need for you to do all that math. Just go to the Order Card, make your cookie selections, and we'll calculate the shipping for you!

DELIVERY TIME

It normally takes 2-15 business days for your shipped order to arrive at U.S. and premium locations. This could potentially be delayed by any COVID-19 restrictions that are put into effect. To ensure your order is delivered to you, please use a residential address.

Need your delicious Girl Scout Cookies in a flash? Use the Shipping option to get them to your door — yum! Plus shipping your cookie allows you to support Girl Scouts around the country, not just locally. Four package minimum order, please!

Shipping to a premium location such as Guam, the U.S. Virgin Islands, or APO/FPO/DPO? We're happy to go the extra mile — we just need an additional \$5 to make it happen. These cookies and the impact you're making with your purchase are so worth it.
