

3 Easy Steps to Participate in the Fall Product Program

The Fall Product Program combines educational activities with money earning opportunities. Girls will sell delicious nuts, chocolates, and magazines. This program introduces key financial literacy skills such as goal setting, decision making, money management, and communication that girls will use throughout their lives. Additionally, girls earn rewards and troops earn proceeds to fund exciting adventures.

Step 1: Get Ready

Have fun with the Girl Activity Guide! Didn't get one? Download a copy at gsdakotahorizons.org/fallprogram.

An average troop earns \$390 in troop proceeds during the Fall Product Program!

Step 2: Get Techy

Send 18 emails from your online store.

When you send 18 emails you'll receive your first patch in the mail!

Step 3: Get Going

Share your order card and goals with friends and family.

Statistics show girls who create a video to share with family and friends sell twice as much!

Important Dates

September 17

Online orders begin. Check your email for a link to get started!
