

Leadership Awards

When working towards a leadership award, be sure to track your hours using the Activities Log and have the appropriate person sign off on hours. When you have completed your hours, fill out the Leadership Awards Evaluation and submit with your Activities Log.

Program Aide (PA)

A Cadette Girl Scout (Grades 6, 7, or 8) that is interested in working with younger girls in a variety of settings.

To earn a Program Aide award, follow these steps:

1. Earn one Leader in Action (LiA) award. This can be done before or after you complete the training.
2. Complete a council-designed leadership course training. Part of our leadership course training will involve learning to work with children, and gaining a deeper understanding of a specialty such as science, art, the outdoors, or adapting activities for girls with disabilities.
3. Work directly with younger girls over six activity sessions. These activities are in addition to your LiA and can include but not limited to Journey activities, badge activities, troop meetings, day camp or council events.

Counselor-In-Training I (CIT)

A Senior or Ambassador Girl Scout (Grades 9, 10, 11, or 12) that would like to mentor younger girls in a camp setting in order to build skills toward becoming a camp counselor.

To earn a Counselor-In-Training I award, follow these steps:

1. Complete a council-designed leadership course training on outdoor experiences.
2. Work directly with younger girls over 3 camp experiences.

Counselor-In-Training II (CIT II)

A Senior or Ambassador Girl Scout (Grades 9, 10, 11, or 12) that would like to mentor younger girls in at least one camp setting while focusing on increasing her skills in one specific area – such as riding instruction, life guarding, or the arts.

To earn a Counselor-In-Training II award, follow these steps:

1. Earn the Counselor-In-Training I
2. Work directly with younger girls over the course of at least one camp session while focusing on an increasing skill.

Volunteer-In-Training (VIT)

A Senior or Ambassador Girl Scout (Grades 10, 11, or 12) that would like to mentor a Girl Scout Daisy, Brownie, Junior, or Cadette group outside of the camp experience.

To earn a Volunteer-In-Training award, follow these steps:

1. Find a mentor volunteer who is currently the adult volunteer for a group of girls at the level you'd like to work with. This volunteer will help you through your training and internship, and you'll help the volunteer with her group of girls for the three-to-six month period.
2. Complete a council-designed leadership course.
3. Create and implement a thoughtful program based on a Journey or badge that lasts over four or more sessions. Be responsible for designing, planning, and evaluating the activities. If you're passionate about a topic like art or technology, you could design the activities around the area you love or in which you have expertise.
