

Girl Scoutsgiving Patch Program

November is a month full of gratitude, kindness, and giving! Girl Scoutsgiving celebrates the spirit of thankfulness and helping others. In this patch program, Girl Scouts will explore meaningful ways to give back to their communities, show appreciation, and discover how even the smallest acts of kindness can make a big difference.

By earning this fun patch, girls will:

1. Understand the importance of gratitude and community service.
2. Learn how to identify needs in their community.
3. Plan and participate in a service or giving project.
4. Reflect on how giving back creates positive change.

INSPIRING CHANGE IN OUR COMMUNITIES

December 16 | 6:30 - 7:30 PM CT | Zoom

Join us for an empowering live virtual experience where girls will learn about the power of giving back! During this session, Girl Scouts will hear from inspiring female leaders and changemakers who are making a real difference in their communities.

Through stories and conversations girls will discover how their passions can spark meaningful impact, whether that's through volunteering or everyday acts of kindness.

This event isn't just about listening, it's about connecting and learning. Together, we'll learn how giving back builds confidence, strengthens communities, and creates a ripple effect of positive change.

Important

- *Purchase of patch program required to attend live event.*
