

# Camper Cell Phone Agreement

Camper Name \_\_\_\_\_

Select session:       June 7-10, 2026       June 28-July 3, 2026

We want camp to be a place where you can truly breathe, away from the pressure of likes, comments, and being constantly online. At the same time, we know it matters to you to be able to check in with the people you love at home. This agreement is your commitment to making that balance work for yourself, and for every girl in your unit.

At the start of each camp, phones will be collected by staff and stored securely. Campers will receive a 30-minute usage window each evening after dinner. Phones will then be returned to secure storage for the night.

## What I Agree To

- ✓ I will hand my phone in at the start of camp without being asked.
- ✓ I will return my phone immediately when the evening phone window ends or when a staff member asks for it.
- ✓ During phone time, I will only call or text family or friends my parents have approved.
- ✓ I will keep my phone screen visible if a staff member asks to see it.
- ✗ I will not use social media during phone time or at any other point at camp.
- ✗ I will not photograph or film other campers or staff without asking them first.
- ✗ I will not share photos or videos of other campers with anyone—online or otherwise.
- ✗ I will not hide a phone or bring a second device that I have not turned in.

## What Happens If I Don't Follow the Agreement

- First Reminder: Verbal reminder from staff.  
*My phone is returned to storage. No further penalty on the first instance.*
- Refusing to Return My Phone: Loss of phone privileges for the rest of the session.  
*My phone will be held until my parent or guardian picks it up at check-out.*
- Breaking the Usage Rules: Loss of phone privileges for the rest of the session.  
*This includes using social media, filming others, or sharing photos of other campers. My parent or guardian will be notified.*

## A Note From Camp Staff

Signing this isn't just about following rules. It's about showing up as a leader for the girls around you — choosing to be present, protecting other campers' privacy, and trusting that the world can wait a few days while you do something great here.
