(Special Whatchamacallits Affectionately Pinned Somewhere) Girls don't need to bring them but it is encouraged as a way to meet friends. Final numbers will be sent via email before the event.
- At the end of the day girls will have the option to engage in water games (weather permitting) so we ask that they bring a swim towel to dry off after the games.

Important Notes

- Dress appropriately for the weather – please check the forecast before coming to camp
- Sandals/Flip-Flops/ Sleeveless Shirts/Tank Tops
Because the girls are out in the elements during camp, we want to prevent them from getting injured. Sandals/flip-flops aren't allowed because the ground at camp is uneven. Sleeveless shirts and tank tops aren't allowed because we don't want girls getting unnecessary sunburns or bug bites.
- No short shirts (tummies need to be covered) or shorty-shorts
- Wear comfortable walking, athletic style shoes (closed-toed, closed-top, closed-heeled)
- Socks are required with shoes
