### Important Notes

- Wear/pack clothes that can get dirty
- Sandals/Flip-Flops/ Sleeveless Shirts/Tank Tops Because the girls are out in the elements during camp, we want to prevent them from getting injured. Sandals/flip-flops aren't allowed because the ground at camp is uneven. Sleeveless shirts and tank tops aren't allowed because we don't want girls getting unnecessary sunburns or bug bites.
- No short shirts (tummies need to be covered) or shorty-shorts
- Socks are required with shoes
- Girls are encouraged to wear a standard watch; but it is not required

**Remember to mark your name on ALL items brought to camp! Girl Scouts Dakota Horizons is not responsible for lost or damaged items that are brought to camp.**
