

GSDH Family Agreement & Initial Order Worksheet

Before participating in the cookie program, each family must read and sign the Family Agreement section and Initial Order Worksheet section if placing an initial order.

Family Agreement (Required)

This form confirms that families understand and agree to basic cookie program standards and responsibilities. By signing, families acknowledge that they **accept financial responsibility** for all cookies received—whether sold or unsold—and for all funds collected.

Basic Cookie Standards

Start Date: Monday, February 9, 2026

- All girls must be a registered member for current year.
- Complete and sign the Family Agreement
- Do NOT begin selling or delivering in-person before the official start date. This includes any pre-orders.
- The price of cookies is \$6 per box and non-negotiable with no discounts.
- Collect money up-front and keep in a safe place until turned over to troop cookie coordinator (TCC).
- Use Digital Cookie to sell online and collect digital payments.
- Sales links should never be posted to online resale sites (eBay, Facebook Marketplace, Craigslist, etc.).

Family Responsibilities

- **Families are financially responsible for all cookies received (sold and unsold).**
- Turn funds into troop at least once a week. Funds not collected by final turn-in date may be subject to collections agency.
- Communicate regularly throughout the program with your TCC for status of cookie inventory, booth opportunities, and turning in funds.
- Girl Scouts will always be involved in the sale of cookies. This can include posters, personalized note, in-person delivery, etc.
- Unsold cookies cannot be returned to the troop or council. Prior to the final week of the program, communicate with TCC about options for unsold cookies.
- Remember the Girl Scout Promise and Law. At all times, you represent your child, her troop, and Girl Scouts. Remember to act with kindness and respect.

By signing, families acknowledge that they accept financial responsibility for all cookies received—whether sold or unsold—and for all funds collected.

Initial Order Worksheet

The initial order allows families to receive cookies at the start of the program so their Girl Scout can begin selling right away. While **not required**, placing an initial order is **highly recommended**. GSDH recommends ordering approximately 75% of their total package goal for their initial order commitment (or what you feel comfortable being financially responsible for).

Total Goal	X 75%	=	Packages to Order
	(.75)		

Please indicate the number of PACKAGES you are ordering in the chart.
