Cookie and Reward Delivery Checklist

- □ Verify your Delivery Station Address in eBudde in the "Delivery Tab" under "Settings".
- □ Watch for product delivery notification from local delivery agent, scheduled for sometime between **January 30—February 7.** Note: If you do not have maximum flexibility during this timeframe, please solicit help in advance from another volunteer to be available at the delivery agent's specified time.
- □ Schedule pick up date/times for each troop, allowing about 15 minutes per troop order. Notify troops using at least two different channels—email, text, Facebook group page, etc.

Special Note: eBudde has a built in scheduler for cookie pickup. (See JIT Scheduling Troop Pickups in eBudde)

- □ **COOKIE** delivery. Count all cookie cases with Delivery Agent and ensure quantities match the delivery ticket. The Delivery Agent is responsible for getting you everything on your ticket and should make arrangements with you to cover any damages or shortages. For any discrepancies, email <u>cookies@gsdakotahorizons.org</u>.
- □ **REWARD** delivery. Count all rewards and ensure TOTAL quantity is correct. Keep all packing slips. Note any missing or damaged items within 24 hours at <u>cookies@gsdakotahorizons.org</u>
- □ Prepare for the Troop Cookie and Rewards Pickup Day:
 - Cookie Product: Print the 'Troop Pickup Sheets' from Page 1.
 - For Initial Order Rewards: Print the 'Troop Rewards Summary' from above.
 - Sort each Troop's Cookies and Rewards in advance of pick-up.
 - During troop pick up—have each troop count their cookies and rewards **WITH** you and sign both copies of the 'Troop Pickup Sheets'. Each of you keep a copy for your records.
