

Girl Scouts—Dakota Horizons (GSDH) Service Units (SU) have the opportunity to earn proceeds based on participation in each of the Product Programs. Proceeds are a ‘thank you’ to our service units for their dedication to the programs by encouraging girls to participate and are to be used to support the Girl Scout Leadership Experience and deliver successful programs to all girls within the service unit.

Service Units must have a GSDH approved service unit checking account with a current *Bank Account Confirmation / ACH Authorization* form on file with the council to receive their proceeds.
