

CPR/AED/First Aid Certification Course

The Red Cross Adult and Pediatric First Aid/CPR/AED blended learning course will prepare you to recognize and care for a variety of first aid, breathing, and cardiac emergencies involving adults, children, and infants. The online portion features award-winning simulation learning – an interactive experience where you will respond to real-world emergencies in a virtual setting and practice the skills that will prepare you for the instructor-led classroom skill session. This course is taught by Girl Scout volunteers who are trained American Red Cross Instructors.

This course requires completion of the online portion prior to the instructor-led classroom skill session. Instructor-led Classroom Skill Sessions:
