

# CPR/AED/First Aid Certification Course

The Red Cross Adult and Pediatric First Aid/CPR/AED blended learning course will prepare you to recognize and care for a variety of first aid, breathing, and cardiac emergencies involving adults, children, and infants. The online portion features award-winning simulation learning – an interactive experience where you will respond to real-world emergencies in a virtual setting and practice the skills that will prepare you for the instructor-led classroom skill session.

**This course requires completion of the online portion prior to the instructor-led classroom skill session.**
