

Pumpkin Chuckin: Bunkhouse Style

Enjoy a cozy autumn overnight in the bunkhouse of TDAF with meals, lantern night hike and storytelling. Then on a crisp autumn morning discover your inner engineer and ingenuity by using rubber bands, screws and hand tools to build various types of catapults with Popsicle sticks, PVC pipe and wood. Oh, YES, chuckin' pumpkin gourds and other stuff, too! Ribbons awarded for distance and accuracy.

Important: Girl Scouts Daisies must attend with an adult female. Adult volunteers needed to assist, email wlewis@gsdakotahorizons.org if interested. Retail store will be available. PA Opportunity
