

Sewing Workshop

Sewing is a life skill that can be expanded into a career if you love to do it! At this event, you'll learn basic sewing by hand skills like the right way to sew on a button and how to do minor repairs. You'll then expand your knowledge by learning how to use a sewing machine to make your own shoulder tote bag using straight and zig zag stitching.

Important: The retail store will be open 30 min AFTER the program.
