

# World of Food

Let's take a journey around the world – without ever leaving your kitchen! It's amazing what you can learn about a culture from understanding what their favorite meals are. Taste the island of Taiwan, the heat of Brazil, and the fjords of Norway! Learn why they eat what they do and even get to taste it for yourself.

**Important:** Please list all food allergies at registration. Adult volunteers are needed to assist, email [jsaunders@gsdakotahorizons.org](mailto:jsaunders@gsdakotahorizons.org) if interested. No tag-a-longs.
