Badge Workshop: Animal Habitats

Imagine meeting a monkey or kicking up dust with a kangaroo. These animals live in the wild, so we don't get to spend time with them in their natural homes—their habitats. But that doesn't mean we can't find out more about where they live, how they play, and how we can help them thrive. Girls will earn their Junior Animals Habitat badge at the Great Plains Zoo as they explore different animal habitats, meet an animal friend up close, and visit a few zoo animals.

Important: Adults attending event will need to pay zoo entrance fee or present Zoo membership card. No tag-a-longs.

Girl Price: \$21.00 Includes: Activities, admission, tour and Junior Animal Habitats badge
