Lead the Way: Going for the Gold Workshop

Are you ready to make a lasting impact in your community and beyond?

This Gold Award Workshop aims to empower Girl Scout Senior and Ambassadors to take on the challenge of earning the Gold Award, building essential life skills and make a difference in their community and beyond.

Join us for an interactive workshop that will help you connect with your passions and interests, and understand what to expect as you turn your ideas into action. Hear about what other Gold Award Girl Scouts have accomplished and find all the inspiration you need to get started.

Important: Girls attending should complete the GSUSA self-paced training prior to attending. Email ge@gsdakotahorizons for more information. A Zoom link and password will be sent out a few days prior to the event to all registered participants.
