

Adventure Box: Celebrate America's 250th Anniversary

Looking for a summer adventure that mixes creativity, learning, and unforgettable family fun — without all the planning stress? The Celebrate America's 250th Anniversary Adventure Box is designed especially for girls who love to explore, create, and imagine. This hands-on experience brings U.S. history to life through exciting adventure, patriotic crafts, and interactive games inspired by 1776.

Girls will discover inspiring stories behind America's journey while expressing their creativity through activities like designing their own campaign, building a time capsule for 2076, and taking part in a historical scavenger hunt.

The adventure continues in the kitchen with historical recipes the whole family can make together, turning learning into quality time and lasting memories. Packed with creativity, discovery, and patriotic fun, this adventure box transforms history into an exciting celebration of liberty, unity and courage.

Important: Box is built for one person to participate. Boxes will begin shipping on June 10 and will be mailed within two weeks of registration. Available while supplies last.

Box Price: \$15.00 Includes: Activities, most supplies and patch

Min:100/Max:200
