

Exploring the Upside Down

A Girl Scout Volunteer Event

Strange things are happening... and it's all about celebrating our amazing volunteers! Step into Exploring the Upside Down, a fun and interactive event where you will connect with fellow Girl Scout volunteers through hands-on activities, laughter, and conversation as we flip the script on problem-solving and share what makes volunteering meaningful—even when things feel a little upside down.

Come ready to have fun, make connections, and leave inspired to see service in a whole new way—Girl Scout style!
